

Doula Association of the Mountain Area

Our Mission: To promote the role of doulas during birth and the postpartum period, serve as a referral source for nationally trained doulas, uphold professional standards of doula practice and provide education and peer support to our members.

Friends Of DAMA

Our sincere thanks to our "Friends" whose donations help us educate the community about the value of labor support, reach women on Medicaid and others who might not be able to afford a doula and provide scholarships for our active members to obtain continuing education or training to further their skills.
